

# Final Deliverables – Learn Food Webs

## Navigation

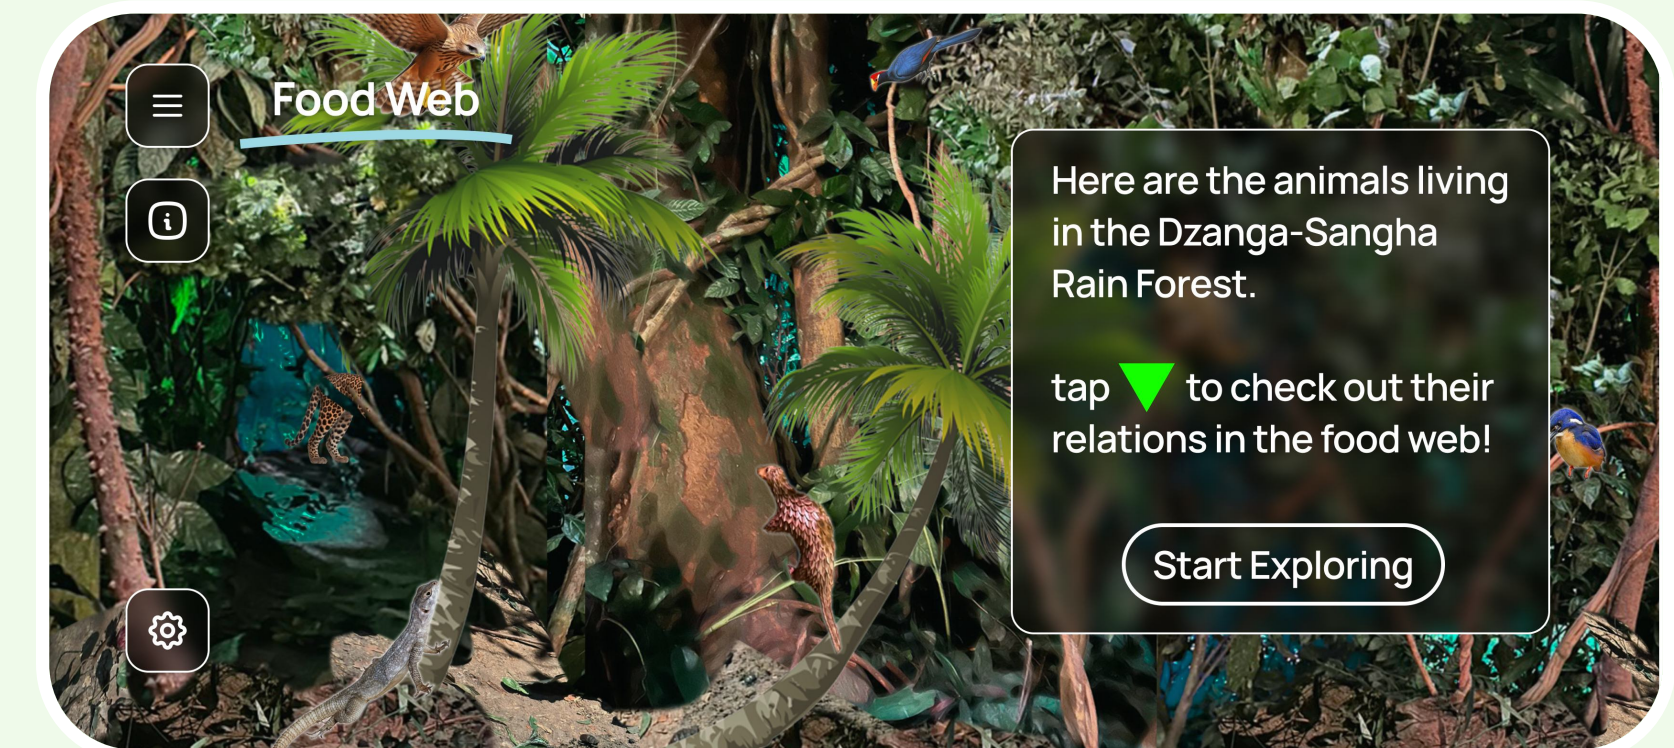

## Archive

Imprint Archive keeps track of user's exploration progress and encourage them to share out with friends and family.

## Browse

1. In Food Web, user will learn about the ecosystem of the forest, and the relationships between each animal.

2. Tap on ▼ to review the animal's name. Through this activity, it helps the user to recognize the animals in the diorama.
