

# EV Charging Has Never Been Easier With QCharge

Welcome to a new era of EV charging. The world of electric vehicles is evolving faster than ever, and you deserve smarter solutions to keep up. That's why we created QCharge—an app designed to make managing your EV charging sessions effortless.

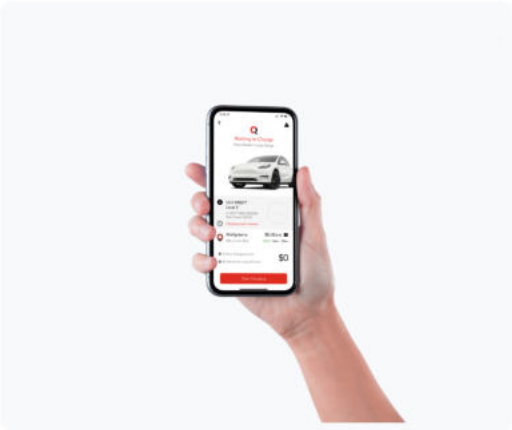

With QCharge, everything is simple. Plan, track, and optimize your charging with intuitive tools built to fit your lifestyle. And when you don't want to think about it, we've got you covered. Our app takes care of the details, so you can focus on the journey ahead.

EV charging? We make it seamless. Let QCharge do the work for you.

**Manage Your Charging Effortlessly**

Get the QCharge app to handle your charging sessions with precision and simplicity.

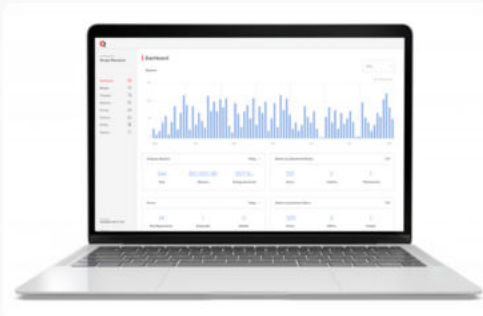

## Everything You Need At A Glance

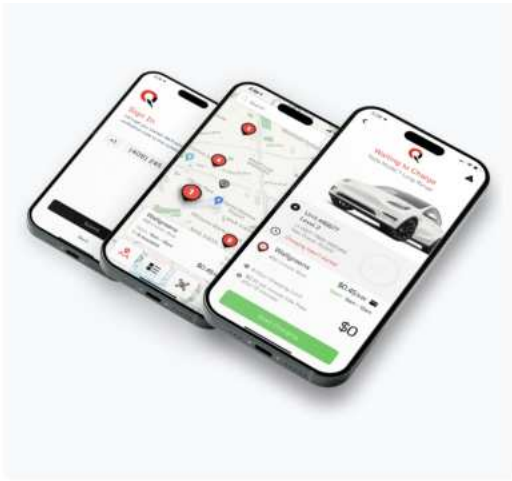

Track monthly usage, use favorite locations, and add/remove subscriptions.

## Admin Portal

Using our sophisticated admin portal and powerful dashboard, the site owners can overview the traction, usage and get detailed reports.

The Admins can create new locations and determine the pricing for each charger while monitoring the charger activity.

## Easy Login

The drivers can login easily via phone number and start a charging session as simple as 1,2,3

## Smart POS System

Our smart POS system handles all payments—Chip & PIN, swipe, contactless, QR, and mobile wallets. With a clear display and Android apps, it boosts customer interaction and supports features like push-to-talk, surveillance, and auto ID for secure, smooth service.

## Support At Your Fingertips

Need help? Chat with an expert **directly through your app** or access our detailed FAQ, ready to assist you around the clock.
