

About Us

ABOUT QCHARGE

We Provide Best Solutions For Your Electric Vehicle

Our EV charging solutions are designed to save you money, energy, and time. We offer a wide range of chargers to choose from, so you can find the perfect one for your home or business.

Monetize Assets

Monetize your parking spaces by offering on-site EV charging services that turn your parking lots into profit centers.

Tax Benefits & Rebates

Benefit instantly from a 30% federal tax credit and subsidize up to 100% of the upfront cost.

Attract New Customers

Incentivize new customers, members or guests to visit your facilities by offering EV charging while on-site, creating a true competitive advantage.

Increase Profits Over Time

Compound Annual Growth Rate of EVs is expected to be 29% per year through 2030. More EVs entering the road results in increased charger utilization and profits over time.

OUR MISSION

Maximize Performance. Minimize Downtime.

QCharge is a Dallas-based Innovative Electric Vehicle Charging Station Operator and Technology Development Company. Since its establishment, QCharge has been committed to providing the most reliable and efficient charging solutions for the growing global demand for Electric Vehicles.

Our Vision

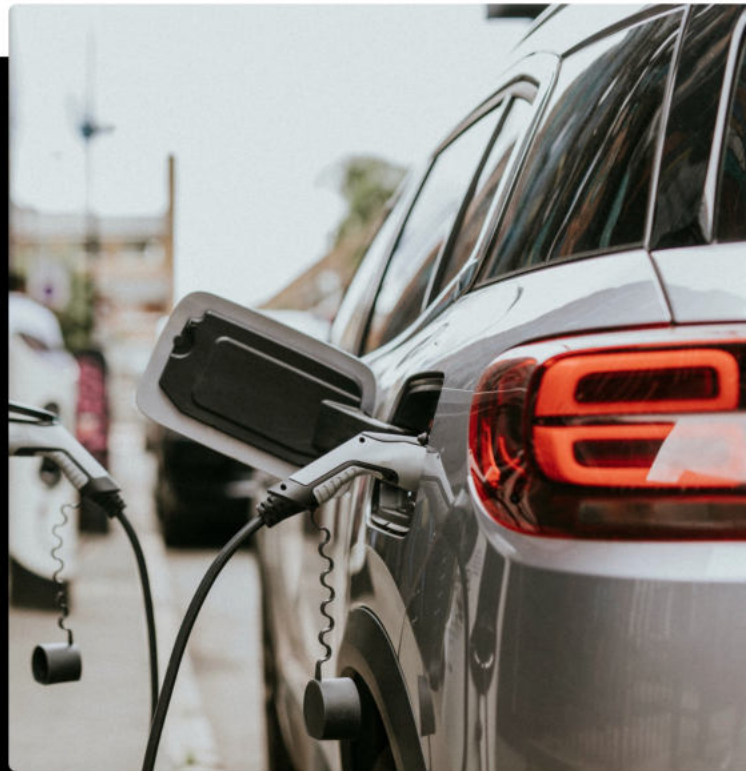

Our vision is to create a world where EV charging is as easy and convenient as charging your phone.

Our Mission

We are committed to offering innovative and reliable EV charging solutions, as well as superior customer service and support.
